

## COACHES' CLINIC

January 10, 2010

### Registration Form

A5 is pleased to announce that four of the most experienced and respected coaches in the NCAA will be coming to Atlanta the weekend of January 9/10 to run a series of player clinics on Saturday, followed by a high school/club coaches' clinic on Sunday. **Dave Rubio (Arizona), Mark Rosen (Michigan), Wade Benson (Auburn) and Chris Lamb (Wichita State)** will be teaching the same drills and techniques that are taught in the top collegiate programs. The coaches will put the players through drills that highlight techniques used in college that will enhance players' skill development. The coaches will break down team systems in part drills and add creative and helpful progressions to help players in their understanding of the game.

Coaches will be taught state-of-the-art on-court drills and techniques and be given guidance about subjects ranging from Senior leadership to dealing with the unique psyche of the female athlete.

Drills, player development, parent issues, philosophy, practice planning, and system breakdown will be discussed and an open forum for questions will be provided.

Though the player clinics and coaches' clinics will be open to anyone desiring to attend, A5 and GA5 athletes and coaches are guaranteed slots in an event that is certain to sell out.
